KNABE

THE "CREMONA" AMONG PIANOS

As the Cremona is the ambition of every violinist, so is the KNABE piano the ambition of every lover of piano music.

Like the Cremona violin, the KNABE piano is inimitable—

Unlike the Cremona, the KNABE piano is easy to acquire.

We are showing a large stock of these wonderful instruments in both uprights and grands and we sell them at the factory prices and upon easy terms of payment when desired. Old pianos are taken in exchange at their full value.

There is no reason for owning anything short of
